

## MOU Signing Ceremony for Strategic Cooperation between ZWEEC and Wuhan Sinoeco Ecological Science & Technology Co. Ltd.

Signing of Memorandum of Understanding for Strategic Cooperation between Mr Liaw Kok Eng, CEO of ZWEEC and Mr Hu Xiaoming, President, Wuhan Sinoeco Ecological Science & Technology Co. Ltd. Mr Cheng Yong Wen, Party Committee Member (Vice Mayor), Wuhan Municipal People's Government (5<sup>th</sup> from right) and Mr Yew Sung Pei, Assistant CEO, IE Singapore (6<sup>th</sup> from right) looks on as the signing takes place among officials from the Chinese Government and Singapore.

A strategic cooperation MOU was recently signed between ZWEEC and Sinoeco to promote value creation through in-depth cooperation for the causes of both parties to develop ecological protection for both China and Singapore.

The parties will focus on the establishment of an international platform for the innovation of ecological technology services, integrating leading talents and technology resources to promote the establishment of a technological enterprise containing eco-equipment technology R&D, water ecological planning and design, water environment restoration and monitoring, ecological demonstration projects and ecological technology extension services, co-exploring the broad market of ecological protection and restoration in China and international technical services along the "One Belt and One Road".
